Commitment

I, the undersigned, (the main researcher)
on behalf of the participating researchers (if any), the author(s) of the research entitled
.....
submitted for publication in “**Al-Quds Open University for Administrative & Economic Research & Studies**”, I warrant and pledge the following:

1. I (we) warrant that the research has not been published/submitted or considered for publication in any form (hardcopy or electronic) in any journal or scientific venue or website or displayed in any refereed scientific conference.
2. I also pledge not to submit it for publication to any journal or other scientific body and not to upload it to any digital repository without the prior approval of the journal’s editorial board.
3. I (we) pledge that the information contained in the research was written by me (us) and that my contribution (our contribution) to it is material is substantial, except for what is indicated where it is stated.
4. I (we) also vouchsafe that I will inform the journal’s editorial board if the research was extracted from a master’s or a doctoral thesis.
5. By signing this commitment, I acknowledge the transfer of the copyright and publication rights to the Journal of Al-Quds Open University for Administrative & Economic Research & Studies.
6. I (we) comply with the rules of publishing and documentation of the journal and with the amendments and scientific and technical comments requested by the editorial board within the specified period.
7. In the event of my (our) reluctance to publish my (our) research in the University’s journal, or in the event it was published in another journal, or in case I (we) did not comply to term 6, during or after passing the arbitration phase, I pledge to pay the cost of arbitration to the journal. We are not entitled to submit it for publication in any other journal until we finalize all our obligations towards the journal.
8. The journal retains its right to address the relevant authorities.
9. I (we) bear full legal and moral responsibility for what may be contained in the research.
10. The terms of this commitment are binding to all researchers participating in the research.
